QUERY 1  + ADD QUERY

1 Enter search phrases

Please enter query terms following the proper query syntax for the chosen platform.

"Artificial
Intelligence"

2 Pick collections and sources

United States -
National 

**SELECT
COLLECTIONS...**

Choose individual sources or collections to be searched. Our system includes collections for a large range of countries, in multiple languages.

3 Pick dates

From 02/01  To 02/28 

Each platform has different limitations on how recent your search can be. The start and end dates are inclusive.

 **SEARCH**

Attention Over Time

Compare the attention paid to your queries over time to understand how they are covered. This chart shows the number of stories that match each of your queries. Spikes in attention can reveal key events. Plateaus can reveal stable, "normal" attention levels. Use the "view options" menu to switch between story counts and a percentage (if supported).

[VIEW OPTIONS](#) [DOWNLOAD CSV](#)

Total Attention

Compare the total number of items that matched your queries. Use the "view options" menu to switch between story counts and a percentage (if supported).
